ARE YOUR FEES ECONOMICAL?

Yes. Our fee is only Rs 5000. It is possible because in a normal class, a faculty teaches 50-60 students and charges Rs 2000 as his lecture fees where as in case of online lecture, 2000 students attend the lecture and thus cost of faculty is only Re 1 per student. And for a repeat revision lecture, our faculty obviously does not charge extra.

CAN A STUDENT ATTEND A FREE SESSION TO UNDERSTAND THE QUALITY OF LECTURES AND TESTS?

Yes. Free demo-lecture and tests are provided on the site which can be attended to understand the quality of coaching.

DOES A STUDENT HAVE TO ENROLL FOR ALL SUBJECTS?

No such restriction, Route 2 MBA offers different packages, through which one can opt for lectures or tests of the required subjects with reduced fees.

>> Only Verbal Ability

>> Only Quantitative Ability

>> Only Tests (Practice & Mock) for all subjects

-> Only Lectures for all subjects
