

### JARO Education's new online courses

Jaro Education has launched two distinctive online courses, International Financial Reporting Standards (IFRS), a course that covers all the basic concepts of International accounting standards and Route2jobs, meant for all employment entrance exams. Jaro Education has joined hands with United Business Institute (UBI), Belgium.

Actress and model Dr. Aditi Govitrikar inaugurated the two new courses. Lucien Van Dievoet, Director , UBI; and Dirk Daenen, Dean, UBI were also present during the inauguration.

International Financial Reporting Standards (IFRS) are principles-based standards, interpretations and the framework adopted by the International Accounting Standards Board (IASB) and its predecessor body, International Accounting Standards Committee (IASC). A financial statement should reflect true and fair view of the business affairs of the organization. As these statements are used by various constituents of the society or regulators, they need to reflect true view of the financial position of the organization. Commenting on the launch, Mr. Sanjay Salunkhe, Director Jaro Education said "The world is becoming excessively competitive and it is important for all working professionals to stay abreast with the latest developments in their respective fields. IFRS is an online diploma for accounting professionals to learn International accounting standards, which help them position themselves in the international markets."

Thus, this course targeted for CEO's , CFO's and professionals in the field of accounting will cover all basic concepts of IFRS and will help in further enhancing their skills in this competitive international economy.

Route2jobs is a self paced, time saving learning module designed for candidates preparing for various employment entrance exams such as Bank PO, LIC, GIC, SSC, UPSC, MPSC, RRB, NDA, CDS, etc. This program comprising online lectures, practice tests & model tests helps one sit at home and attend classes online at his/her own convenience.
