# Key Challenges and Strategic Pathways for MarkTech and AI Marketing Leaders

## Global Growth and Challenges

- **Market Expansion:**

The MarkTech market is projected to reach approximately \$670 billion in the preceding years, reflecting a significant increase from previous years.

\*Statista

- **AI Integration:**

AI is driving an exponential increase in marketing technology solutions, with 73% of new tools being AI-based.

\*MarTech

- **Data Overload:** *The surge in data volume presents challenges in data management and analysis, necessitating advanced AI solutions.*

## India's MarkTech Landscape

- **Market Growth:**

India's MarkTech industry is projected to reach \$50 billion by 2026, indicating robust growth.

\*Sinch

- **Adoption Rates:**

A significant portion of Indian organizations have embraced MarkTech, with 7 in 10 now utilizing marketing technologies and generative AI.

\*Marketing Tech News

- **Investment Trends:**

Companies are allocating 19.9% of their marketing budgets to MarkTech, with expectations to increase this to 23.5% within a year and 30.9% in five years.

\*CMO Survey

## Strategic Recommendations

- **Embrace AI Integration:**  
Incorporate AI to enhance personalization, predictive analytics, and automation, thereby improving customer engagement and operational efficiency.
- **Invest in Data Management:**  
Develop robust data strategies to handle the increasing volume and complexity of data, ensuring actionable insights.
- **Focus on Customer-Centric Strategies:**  
Prioritize customer experience to drive adoption and maximize the benefits of MarkTech and AI investments.

# How AI is Transforming Marketing Strategies

AI is transforming business operations and reshaping marketing strategies. By leveraging cutting-edge technology, businesses can drive impactful marketing campaigns. AI-powered tools enable advanced data analysis, customer segmentation, personalized targeting, and predictive modeling. Automation enhances efficiency, streamlines processes, and improves decision-making. With AI, businesses gain actionable insights, optimize strategies, and deliver personalized experiences, leading to improved outcomes and a competitive edge in today's dynamic digital landscape.

By embracing How AI is Transforming Marketing Strategies and AI, businesses can overcome challenges, achieve sustainable growth, and maintain their leadership position in the evolving market.

# A Roadmap for Marketers in MarkTech and AI-Powered Marketing

Strategic Initiative	Focus Area	Action Plan
<p data-bbox="480 667 1114 745"><b>AI-Driven Consumer Insights</b></p> <p data-bbox="97 779 719 954">Utilize AI to analyze customer data and predict behavior patterns.</p>		<p data-bbox="871 779 1497 954">Implement predictive analytics tools and machine learning algorithms for better segmentation.</p>
<p data-bbox="480 1016 1114 1099"><b>Hyper-Personalized Campaigns</b></p> <p data-bbox="97 1133 719 1308">Deliver tailored marketing messages at scale.</p>		<p data-bbox="871 1133 1497 1308">Develop dynamic content strategies using AI-powered recommendation engines.</p>

<p data-bbox="480 1724 1114 1807"><b>Automation of Marketing Workflows</b></p> <p data-bbox="97 1841 719 2016">Optimize routine tasks like email campaigns, lead scoring, and ad placements.</p>		<p data-bbox="871 1841 1497 2016">Deploy AI-powered marketing automation tools to enhance operational efficiency.</p>

## Ethical Use of AI

Ensure AI-powered marketing adheres to ethical guidelines and respects consumer privacy.

Develop transparent policies for AI use and comply with global data privacy regulations (e.g., GDPR).

## Real-Time Engagement

Interact with consumers in real-time using conversational AI tools.

Leverage chatbots, virtual assistants, and live sentiment analysis for on-the-spot responses.

## Performance Measurement

Use AI to accurately measure ROI and campaign effectiveness.

Implement AI-based attribution models to analyze customer journeys and allocate marketing budgets.

# Programme Overview

The Executive Programme in Marktech and AI Driven Marketing offers learners a comprehensive understanding of how Marktech and AI tools can be practically applied in marketing. With a focus on practical knowledge and skills, this programme equips participants with the necessary expertise to effectively utilize technology and AI to their advantage in the dynamic marketing landscape. Whether seeking to gain a competitive edge or stay ahead of industry trends, this programme is ideal for individuals looking to harness the power of Marktech and AI to optimize marketing strategies.

Through this programme, participants will gain insights into the latest trends and advancements in Marktech and AI driven marketing strategies. They will learn how to effectively implement these tools to enhance customer engagement, optimize marketing campaigns, and drive business growth. The programme emphasizes hands-on learning, enabling participants to gain practical experience through real-world case studies, industry projects, and interactive sessions with industry experts.

By the end of the programme, participants will have a deep understanding of the potential of Marktech and AI in marketing and will be equipped with the skills to develop and execute innovative marketing strategies. This programme empowers marketing professionals with the knowledge and tools needed to adapt to the digital era and thrive in a competitive business environment.

# Programme Highlights

# Programme Objectives

- To provide learners with a foundational understanding of artificial intelligence application in marketing.
- To equip learners with practical skills in data analysis, customer segmentation, personalization, and predictive analytics using automated means, all while adhering to ethical and privacy considerations.
- To enable learners to effectively leverage AI in marketing to deliver personalized experiences at scale and gain a competitive advantage in the market.
- To provide learners with an opportunity to apply their knowledge and skills in a real-world marketing problem through a final project.

# Learning Outcomes

Applications of Technology in Marketing.

AI and Marktech in Customer Acquisition, Management and Retention.

Exposure to Digital Ecosystem for Marketing Automation.

Predictive Analytics and Introduction to Data Analytics.

# Programme Content

## Marketing in a Digital World

- Basics of Marketing
- Segmentation, Targeting, and Positioning
- Consumer Behaviour and Consumer Research
- Product Strategy and NPD
- Pricing Strategies
- Distribution and Sales Strategies
- Promotion Approaches

Easy EMI Options Available

\*The above fee does not include the Executive education alumni fee.

# Who Should Attend ?

- Senior Level Managers, Mid-level Managers, Marketing professionals & Data Analysts.
- Business owners who want to leverage digital marketing for growth.
- Aspiring entrepreneurs of digital businesses.
- Graduates with a minimum of five years of post-qualification work experience.

# Admission Process

# Admission & Evaluation Criteria

## Eligibility

- Diploma (10+2+3)/ Graduate/ Post Graduate from Universities recognized by the Association of Indian Universities with minimum 50% marks in either diploma or graduation or post-graduation (or its equivalent) with at least five years of work experience.

\*Internships and trainee experiences are not considered Full-time work.

## Attendance Criteria

- Participants are expected to attend all sessions of a given course. However, participants may take leave in case of emergencies, subject to the approval of the Programme Coordinator. However, a 75% minimum attendance requirement would be considered for the final grading. For less than 75% attendance, a grade cut as per the norms will be applied.

## Evaluation Methodology

- The performance of participants will be monitored on a continuous evaluation basis through quizzes, assignments, tests and examinations. The participant is required to score minimum marks/grades as decided by the Institute from time to time to complete the course.

## Executive Education Alumni Status – IIM Indore

The participants who complete the programme successfully will be eligible for the Executive Education Alumni status of IIM Indore. They will be required to apply separately, along with the necessary fee, to register their name. The current alumni membership plans are as follows:

**2-year membership – INR 1000/- + applicable taxes**

**Lifetime membership – INR 10,000/- + applicable taxes**

### **Benefits available to Executive Education Alumni:**

- Communication of brochures and newsletters from IIM Indore.
- Access to the IIM Indore Campus Library (onsite access only).
- Official email ID of the institute.
- ID Card.

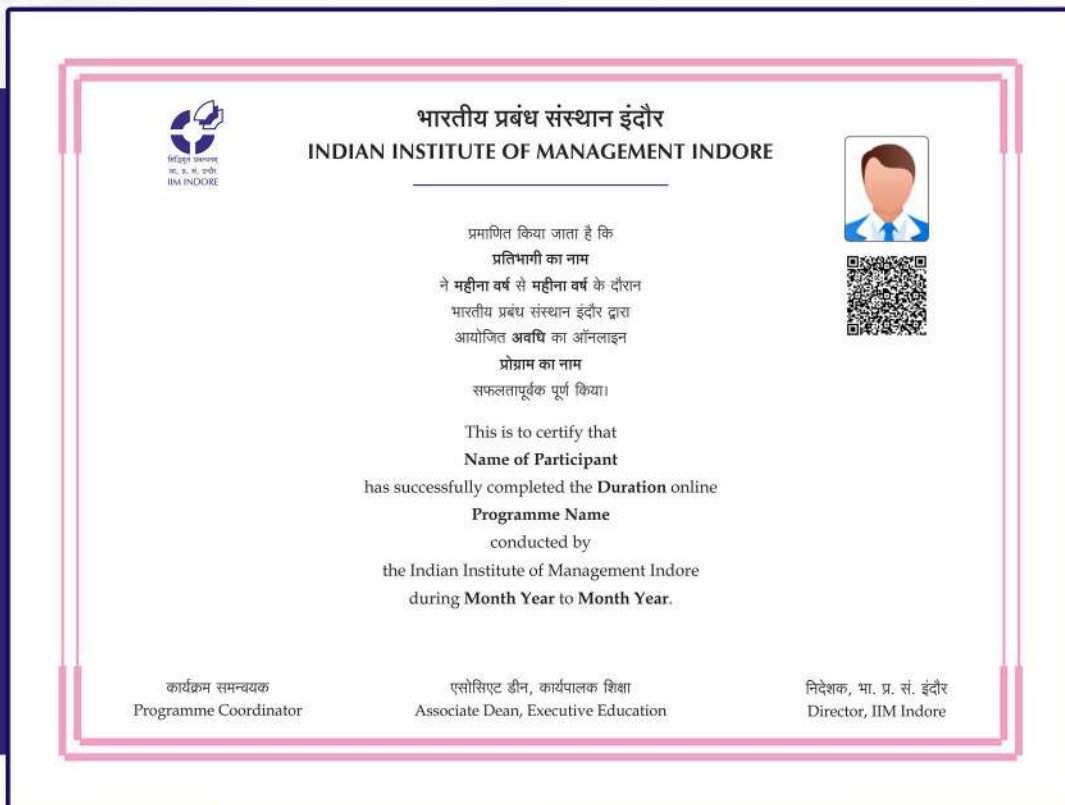

Mere successful completion of the programme, application submission, and fee does not entitle a participant to be eligible for executive education alumni status. IIM Indore reserves the right to confer or withhold executive education alumni status.

IIM Indore reserves the right to modify the above conditions at its discretion at any time without notice.

# Certification

Participants who successfully meet the evaluation criteria will receive the prestigious '**Certificate of Completion**' from IIM Indore.

\*The sample certificate is indicative. The Institute reserves the right to revise it.

# Programme Coordinators

Prof. Subin has participated in various academic conferences and doctoral consortiums and also engages actively with a few organisations in social development projects.

# Discover the Impact: Previous Batch Learner's Testimonial

**Mr. Manas Panda**

Global Marketing & Brand Engagement Specialist,  
MoneyGram International.

I recently joined the Executive Programme in MarkTech & AI-driven Marketing facilitated by Jaro Education in collaboration with IIM Indore, and I am thoroughly impressed with the experience. The programme is exceptionally well-structured and provides a comprehensive understanding of the latest trends and technologies in marketing technology and artificial intelligence.

**Mr. Tanay Sarpotdar**

Co-Founder & Strategic Advisor - Marinoid

When I enrolled in Marktech and AI-Driven Marketing programme, I had certain expectations about how these programmes typically unfold. This programme has exceeded them, offering not just theoretical knowledge but a strong emphasis on practical application. The diverse perspectives from students in various focus areas and the networking opportunities have already significantly enriched my work. The faculty at IIM Indore has been supportive and engaging from day one, ensuring a comfortable learning environment. They continuously enhance the platform to facilitate transparent communication and real-time updates between IIM and the students. Additionally, Jaro Education's excellent profile-building assistance has helped me effectively showcase my newly acquired skills to potential employers. I highly recommend this program to marketing professionals looking to leverage AI-driven marketing, gain deep insights into Marktech, and build valuable connections.

# Discover the Impact: Previous Batch Learner's Testimonial

**Ms. Shriya Rohatgi**

Senior Associate in Financial Reporting,  
Ex - Ernst & Young Global Consulting Services.

My experience with the faculty has been good, making the learning process smooth and enriching. Each session introduces new concepts, equipping me with the skills needed to transition into a new career domain confidently. The programme has significantly contributed to my professional growth, and the profile-building assistance has been invaluable in highlighting my newfound abilities.

**Ms. Apurva Priyadarshini**

Country Marketing Manager,  
Dufry Group.

The Marktech and AI-Driven Marketing programme at IIM Indore, through Jaro Education, has been instrumental in my professional growth. It has equipped me with advanced skills in AI-driven marketing strategies, significantly enhancing my expertise. The faculty's knowledge and engaging teaching methods provided an excellent learning experience. Additionally, Jaro Education's support in refining my resume and improving my professional profile. I highly recommend this programme for anyone looking to advance in Marktech and AI.
