Online MBA Degree Programme

Symbiosis School for Online and Digital Learning (SSODL)

Chancellor's Message

Prof. Dr. S. B. Mujumdar

**Founder and President, Symbiosis
Chancellor, Symbiosis International
(Deemed University)**

National Education Policy 2020 has recommended online and digital education. University Grants Commission (UGC) has selected prestigious universities in India to impart ODL programs and I am happy that Symbiosis International (Deemed University) is among these universities. SIU has created a separate School for imparting quality education through Online and Digital Learning modes for Indian & International students.

I welcome you to the ODL School with a view to acquiring quality education in different subjects and enhancing your employability, and entrepreneurship skills.

May God bless you!

Pro-Chancellor's Message

Dr. Vidya Yeravdekar

**Principal Director, Symbiosis Society
Pro-Chancellor, Symbiosis International
(Deemed University)**

Post-pandemic, the importance of online education needs no justification. The United Nations under Sustainable Development Goals 4 (SDG 4) has mandated to eliminate discrimination in education and provide easy access to quality education. The Govt. of India has introduced the New Education Policy in 2020 which proposes revision and revamping of all aspects of the education structure and to create a system that is aligned with the aspirational goals of the 21st century and SDG 4.

In order to fulfil the mandate of SDG 4 and the NEP and to improve access to quality education, SIU has introduced programmes in the online and digital learning mode.

Symbiosis International University has been awarded Category-1 status by UGC as we have been developing high-quality online programmes for those who could not join the 'on-campus' programmes and were interested in continuing to learn with Symbiosis. These online programmes are developed by the best faculty of SIU. Students who join the online programmes will also get some opportunities to be on our beautiful University campus and experience campus life.

We will empower you with the requisite knowledge to help you apply this knowledge for the betterment of society.

Welcome to SSODL!

Vice-Chancellor's Message

Dr. Ramakrishnan Raman

**Vice Chancellor,
Symbiosis International (Deemed University)**

Symbiosis International (Deemed University), Pune offers the kind of education needed for leadership in a rapidly changing world. While continuing to work towards improving our offerings, we look for newer ways to deliver and improve access to quality education - hence the School of Online and Digital Learning has been institutionalised.

Symbiosis School of Online and Digital Learning (SSODL), which is the Centre for Distance and Online Learning (CDOE) of the University, offers UGC-entitled programmes from the Faculties of Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, duly entitled by UGC.

In the present dynamic world, there is an increasing use of technology. SSODL leverages technology to offer learner-centric programme delivery in synchronous and asynchronous mode in an engaging environment. All the programmes are designed incorporating the outcome-based approach with the same academic rigour and quality as the conventional programmes of the University, along with providing flexible learning opportunities, leveraging technology. The pedagogy ensures that the learning is holistic, flexible and learner-centred. An extremely engaging mix of different learning methodologies such as live lectures, masterclasses by domain experts, projects and assignments not only help in accelerated learning but also help to catapult the career of learners.

I welcome you to join SSODL!

Provost's Message

Dr. Rajiv Yeravdekar

**Provost,
Faculty of Health Sciences Symbiosis
International (Deemed University)**

We live in an extremely complex and dynamic world. The world is undergoing rapid changes in the knowledge landscape. Technology has become an integral part of our daily lives. With various dramatic, scientific and technological advances in every field, there is a parallel rise in the demand for professionally qualified professionals in the field of management, economics, media and communication and health sciences, especially driven by the impact of technology in the design and delivery of academic programs.

At the Symbiosis School for Online and Digital Learning (SSODL), we offer programs in various domains of healthcare including healthcare management, clinical research, nutrition & dietetics, nursing and disciplines related to healthcare such as health communication, hospital architecture planning and design etc. In addition to these programs, the SSODL also offers undergraduate and postgraduate programs in economics, media, and computer management in the online mode of delivery. The program content and delivery is through the experts in relevant disciplines. Our endeavor is on leveraging technology to create a wholesome environment of complete teaching and learning.

The School for Online and Digital Learning (SSODL) is equipped with a full-fledged call centre for addressing the issues faced by learners. The learning material which would facilitate self-learning is available to the learners on the learning management platform. The learning management platform would also provide access to the recordings of the videos of the sessions. The school would be using technology for assessment thus creating a complete contactless process from enrolment to teaching learning to assessment.

Message from Dean, Faculty of Management

Brig (Dr.) Rajiv Divekar

**Dean for Faculty of Management (SIU)
Director, SIMS**

Brig (Dr.) Rajiv Divekar is the Dean for faculty of Management & Director of the SIMS. Director's Message

Dr. Parimala Veluvali

**Director,
Symbiosis School for Online and Digital Learning**

Access to good quality education is becoming increasingly important and is the key to empowerment. The Symbiosis School for Digital and Online Learning (SSODL) has been set up essentially to provide quality education in the domains of Health care, Management, Computer sciences and Humanities delivered in distance, online and digital mode. Programmes offered under these domains provide professional education to learners in a student-centric manner.

At SSODL, learning is designed keeping in mind learner engagement, so in addition to rich content developed by subject experts, learners have access to live lectures delivered in a synchronous mode and can engage with professors through interactive discussion forums. Our Business, Technology, Humanities, and extremely well-received Health Care programmes, equip our students to become leaders with moral depth and intellectual rigour.

The Symbiosis School of Online and Digital Learning Pune, located in the lush green Symbiosis International (Deemed University) main campus at Lavale, Pune, is the Centre of education and culture, providing students with an exceptional opportunity to interact with peers from across the globe and network.

I invite all of you to join the learning community at SSODL, which offers the dual benefit of receiving top-quality online learning experience combined with the recognition of studying at a globally ranked University.

Welcome to SSODL, a community of lifelong learners!

About Symbiosis International (Deemed University)

Prof. Dr. S. B. Mujumdar established Symbiosis in 1971 on the principles of the Vedic thought of “Vasudhaiva Kuttumbakam”, i.e. the world is one family. With changes sweeping across India’s higher education scenario, Symbiosis International (Deemed University) (SIU) established need-based Constituent Institutes / Departments across eight faculties of Law, Management, Computer Studies, Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering and Architecture & Design. Due to the excellence and quality of education imparted by Symbiosis Institutes, the Ministry of Human Resource Development, Govt. of India conferred the ‘Deemed to be University’ status on Symbiosis in 2002.

Approvals & Accreditations

- The University is awarded Category-I status by UGC and an A++ grade by NAAC in the third assessment cycle
- The University is also ranked 32nd in the Universities Category of NIRF 2022
- The University is ranked tenth in the category of 'University & Deemed to be University (Private-Self-Financed)' in Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021
- Times Higher Education (THE) World University Ranking 2022 has ranked Symbiosis International University amongst the top 800- 1000 Universities in the World
- The University is also ranked in the top 350 Universities in Asia by the QS Regional Rankings
- The only Indian University to have received the Asia Pacific Quality Label

About Symbiosis School for Online and Digital Learning (SSODL)

Symbiosis School for Online and Digital Learning (SSODL) is a constituent of the prestigious Symbiosis International (Deemed University) (SIU). SSODL offers online programmes (UG & PG) Degree that are UGC entitled and AICTE approved.

Programmes offered by SSODL are delivered in an online and digital mode imparting the same skills, knowledge, and domain expertise of regular physical programmes offered under Symbiosis in terms of academic rigour, excellent faculty, and a learner-centric outcome-based education, along with the flexibility of self-paced learning. Our Business, Technology, Humanities, and extremely well-received Health Care programmes, equip our students to become leaders with moral depth and intellectual rigour.
